Dear Sponsor:

In 2006 following the death of one of our members, Eddie Majalca, the Arizona NACE Section began hosting the Eddie Majalca Memorial Golf Tournament. The funds raised from the 2006 tournament were presented to the Majalca family to help with the costs incurred from his illness.

For the last 15 years the funds raised from this tournament have been used to sponsor scholarships in Eddie’s name. The scholarships are awarded at all 3 major Universities in Arizona (ASU, U of A, and NAU) to underprivileged students who are working toward obtaining a degree in Science, Technology, Engineering, or Mathematics. The recipient is chosen by the Dean of Engineering from each University.

Tournament sponsorship is a vital component of our continuing ability to offer these scholarships. At this time we are asking you to consider a $250.00 contribution to sponsor a hole for the tournament.

The tournament is scheduled for February 7th, 2020 and will be held at The Wigwam Resort in Litchfield Park, Arizona.

Your assistance and contributions are greatly appreciated. Please also consider getting a foursome together and playing at the Wigwam! The tournament flyer and signup sheet is attached.

For your convenience donations are accepted at http://naceazsection.org/
Just look for the “Sponsor a Hole” button.

You may also send donations to the attention of Jose Chavez at the address listed below.

Please make check payable to: Arizona NACE Section

Thank You,

Jose Chavez
